- 2) Radio Station Building Tours (73.2080(c) (2) (xvi)). This program offers area schools and students the opportunity to tour the Stations' broadcast facilities and talk to on-air staff to learn about the broadcast industry. Area students have used this as an opportunity to learn more about careers in broadcasting and to meet on air personalities at the stations.
- 3) Radio Station Building Tours (73.2080(c) (2) (xvi)). This program offers area day care facilities, Girl Scout Troops, Boy Scout Troops and Assisted Living Facilities the opportunity to tour the Stations' broadcast facilities and talk to on-air staff to learn about the broadcast industry. We have opened our conference room for the autism center & girl scouts to hold meetings.
- 4) Career Days Outreach (73.2080(c) (2) (IV)). The program is designed to help area students to understand the skills needed to obtain broadcast employment. The career days were held throughout the school year and involve station employees visiting local area high schools and universities and participating in question and answer sessions to help students understanding the issues surrounding employment in the broadcast industry.
- 5) Radio Fargo-Moorhead, Inc. Job Fair (73.2080(c)(2)(i)). Various Employees from the programming, sales and promotions department attended the Radio Fargo-Moorhead, Inc. - 7) Transmitter tour. Jake Bechtold, an engineer of the stations, gave a tour of the KLTA-FM, KPFX-FM, and KQWB-AM transmitter facilities to the NDSU Amateur Radio Society. The students got a first-hand look at the equipment required to put a radio station on the air, and how the theory they are learning in their Electrical Engineering courses can be applied to real world scenarios. They also learned about RF Safety, and career options available to Engineering students in the broadcast industry.
- 8) North Dakota State University Athletic Department. As the new voice of NDSU Athletics we are working with the Athletic Department to develop play by play announcers and board operators for sports broadcasting.
